About Us

Real Sparkle is a trusted manufacturer and exporter of premium working gloves, sports gloves, and industrial workwear. Since 2010, we've built a strong reputation for delivering durable, comfortable, and safety-certified products to industries such as construction, automotive, logistics, and sports.
Our gloves are crafted with high-performance materials like Kevlar, HPPE, and Nitrile to provide superior protection against cuts, heat, and chemicals. Alongside, our workwear is designed for durability, comfort, and safety in demanding environments. With advanced manufacturing and a focus on quality, Real Sparkle is your reliable partner for high-performance safety gear.

REAL SPARKLE

Meet Our Team

We're a global manufacturer of premium safety gear, combining innovation and craftsmanship to protect your workforce with confidence.

WHY US ?

At Real Sparkle, we combine over a decade of experience with advanced manufacturing techniques to deliver safety solutions you can trust. Our commitment to quality, innovation, and customer satisfaction sets us apart in the industry. From high-performance gloves to durable workwear, every product is crafted using top-grade materials and adheres to international safety standards. We offer flexible customization, competitive pricing, and on-time global delivery making us the preferred choice for businesses that value reliability, protection, and long-term partnerships.

OUR CERTIFICATIONS

Real Sparkle, a manufacturer and exporter of safety equipment, is proud to be ISO 9001 certified, ensuring the highest standards in quality management.

Real Sparkle, a safety equipment manufacturer and exporter, is BSCI-certified, showing their commitment to ethical and responsible business practices.

Real Sparkle is a proud member of the Pakistan Gloves Manufacturers & Exporters Association (PGMEA), solidifying its position as a certified and reputable exporter.

Real Sparkle is a member of the Sialkot Chamber of Commerce & Industry, connecting it to a global network of reputable exporters.

Real Sparkle is certified by the Trusted Trade Institute (TTI), a certification that confirms its commitment to best practices in international trade and compliance.

OUR CERTIFICATIONS

Real Sparkle is registered with the Trade Development Authority of Pakistan (TDAP), confirming its official status as an exporter with the government.

Real Sparkle is registered with the Federal Board of Revenue (FBR), confirming its compliance with all national tax and regulatory requirements as a business.

Real Sparkle manufactures gloves that are certified to EN 388:2003, a European standard for protective gloves that confirms their resistance to mechanical risks like abrasion, cuts, and tears.

Real Sparkle manufactures CE-certified gloves, meaning they meet the strict health, safety, and environmental protection standards required for sale within the European Union.

Real Sparkle's gloves meet the EN 420:2003 standard, a European regulation that outlines general requirements for protective gloves, including sizing, dexterity, and harmlessness.

Real Sparkle is a senior member of the Sialkot Tannery Zone, a domestic association dedicated to the promotion and regulation of the local leather industry.

OUR PRODUCTS

Working Gloves

Designed with precision, Real Sparkle Working Gloves ensure safety and a strong grip in every task.

Workwear

Engineered for durability and comfort, Real Sparkle Workwear keeps you protected on every job.

Sports Gloves

Real Sparkle Sports Gloves combine style and performance, giving athletes the edge they need.

Global
PRESENCE

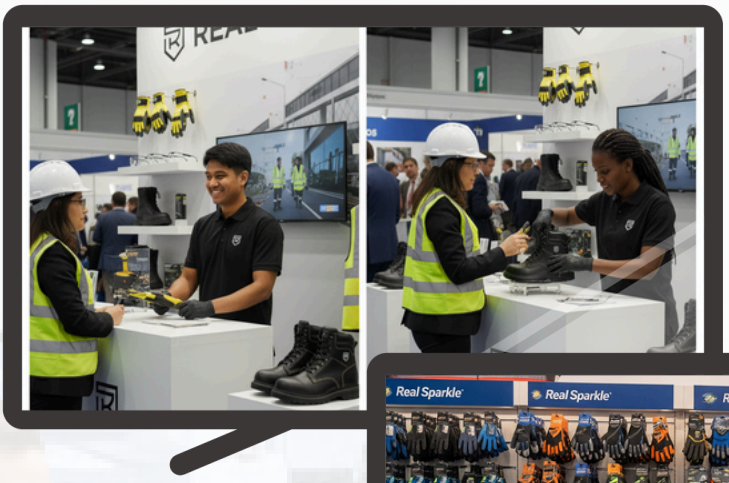

Real Sparkle exports premium work gloves and workwear worldwide, serving clients across North America, Europe, Asia, and Africa. Trusted for timely delivery, customization, and quality, we are your reliable partner for durable and cost-effective safety solutions.

At Real Sparkle, we prioritize quality and safety. Our products meet international standards like ISO 9001, CE, and ANSI, ensuring reliable protection and performance. Using advanced materials like HPPE, Kevlar, and Nitrile, we deliver durable, comfortable, and high-performance gloves and workwear through sustainable manufacturing.

Global
PRESENCE

Trusting SHIPPING

Real Sparkle offers secure and cost-effective sea freight solutions, perfect for large shipments and bulk cargo. We ensure safe handling and timely delivery across international ports.

For urgent and time-sensitive deliveries, our air freight service provides fast, reliable, and efficient shipping worldwide, ensuring your goods arrive right on schedule.

With our road cargo service, we connect cities and regions seamlessly, offering flexible and dependable transportation for domestic and cross-border shipments.

Social PRESENCE

Real Sparkle is active on all major social platforms including Instagram, Facebook, TikTok, and LinkedIn. Stay connected with us to get the latest updates on new products, industry news, and essential safety awareness content.

Explore the complete range of Real Sparkle products at **apparel.therealsparkle.com.** From detailed product information to the latest collections, everything you need is available in one place.
